

The logo features a red octagonal stop sign with the word "STOP" in white capital letters. To the right of the sign, the words "BESS INVASION" are written in large, bold, black capital letters, with a small dot between "BESS" and "INVASION".

# STOP BESS INVASION

## Oppose BESS Battery Energy Storage Systems for Christian County, Elk Valley Ozark, MO

Dear Community Member,

We urge you to stand with us in opposition to the proposed installation of Battery Energy Storage Systems (BESS) in Christian County, Elk Valley in Ozark, MO. These systems pose significant risks to our health, environment, and way of life. Join us in protecting our community from the dangers of BESS.

### Key Points to Oppose BESS:

- 1. Health Risks:** BESS installations bring potential health hazards, including chemical exposure, fire risks, and respiratory issues. Protect our families from these dangers.
- 2. Environmental Impact:** The environmental impact of BESS cannot be ignored. From habitat destruction to water contamination, BESS threatens our precious natural resources.
- 3. Protected Wildlife and Natural Resources:** Our local wildlife, river wetlands, and groundwater sources are at risk. Let's safeguard these vital assets for future generations.
- 4. Community Safety and Well-being:** BESS installations endanger community safety and well-being with fire hazards and water resource depletion. Stand with us to protect our neighborhoods.
- 5. Loss of Control and Net Benefit:** Oppose BESS to prevent a loss of control over local resources and infrastructure. Remember, there is no net benefit to the community.

Visit [STOPBESSINVASION.com](https://STOPBESSINVASION.com) for more information and ways to get involved. Sign petitions, contact local officials, and spread awareness in the community. Together, we can make a difference.

Thank you for joining us in opposing BESS installations in Christian County, Ozark, Missouri. Together, we can protect our community and preserve our way of life for generations to come.

For more information, contact us at [stopbessinvasion@gmail.com](mailto:stopbessinvasion@gmail.com) or follow us on social media [twitter.com/StopBess](https://twitter.com/StopBess) Together, let's make a stand against BESS.

## DON'T LET OZARK BECOME A BATTERY FARM!

**Black Mountain Energy wants to add 56 of their 40-foot shipping containers filled with toxic Lithium batteries on 8 acres but will have up to 32 acres to expand.**
